

Isle-of-Wight 2004

1ST BOURNEMOUTH BOYS' BRIGADE

Game Handbook

Welcome

The Isle of Wight - so near and yet so far! Whilst reading one of the many holiday brochures about the place I've learnt that the "island has been a holiday hotspot for centuries" and that "it has breathtaking countryside... and golden beaches." In fact it goes on to say that "this year is set to be a particularly exciting one!" I wonder if they had our Camp in mind when they wrote that? (I also noticed that the brochure didn't mention that you can get all sorts of weather here - so much weather in fact, that marquees have been known to rip during particularly stormy nights!!)

Whether you're a first time camper or an old hand, rest assured that camp every year is a brilliant time of fun, action and even has... moments of thought?!. So sit back, enjoy the cruise over here and prepare for a truly excellent week!

Inspection Kit Layout

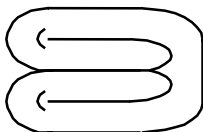

Folding that sleeping

1. Lay the Sleeping Bag out Flat

2. Finding the middle, fold the two ends in leaving just a small gap

3. Now fold the Sleeping Bag neatly at the middle to produce a well proportioned and flat base onto which your other kit can be laid.

NOTE - THE LARGE FLAT SIDE OF THE SLEEPING BAG SHOULD BE TOWARDS THE FRONT OF YOUR CASE DURING AN INSPECTION.
